March 17, 2020

Dear Hillside Parents,

Let me first say how grateful we all are for your patience and understanding through these very uncertain and scary times. The Hillside community always pulls together and collaboratively solves problems. So, thank you so much!

We know that your children are eager to begin their online education on our Google Classrooms. Our teachers have been collaboratively planning day and night to ensure the highest quality education. I have no doubt you will be incredibly appreciative of their efforts.

The below the attached schedules are general outlines of when content will be delivered so your children will have structure to their days. While mornings will be designated for instruction, the afternoon hours will be a time for you to check in with teachers. The first schedule is for Kindergarten students and the bottom schedule is for Grades 1-4. Some of the activities may be modified at the teacher's discretion.

We are excited to embark on this 21st century online journey and have no doubt you'll join us. Tomorrow will be an exciting day as students virtually reconnect with their teachers and their peers. If you have any questions at all for me or your child's teacher, reach out anytime. We are here to make this process as smooth as possible for you and your children.

Sincerely,

Dr. Brieann Madden
